What do we do?

- Web with updated information on ongoing projects and its main activities:

<https://internacional.uca.es/projects/general-info/?lang=en>

The screenshot shows the website for the Vicerrectorado de Internacionalización at the University of Cádiz. The header includes the university name, a 40th anniversary logo, and a search bar. The main navigation menu lists 'ABOUT US', 'ERASMUS+', 'COOP AND VOLUNTEERING', 'WELCOME CENTER', and 'PROJECTS'. The 'PROJECTS' menu is expanded to show 'General Info'. The main content area features a banner with icons for a speech bubble, a magnifying glass, a clock, and an atom, with an 'Enlarge image' button. To the right, there are three menu items: 'CUNEAC', 'Comisión Relaciones Internacionales', and 'Internacionalización en Casa'. The text below the banner states: 'We sincerely believe in the positive and long-lasting effects Erasmus + projects can have at our university. KA2 and other initiatives are expected to have results in the development, transfer and/or implementation of innovative practices, bringing innovative approaches, making education and training programme more attractive, for example, by using participatory approaches and ICT based methodologies or new or improved processes of recognition and validation of competences, among other possibilities. The Internationalization Office aims to support all members of our university community wishing to apply for international projects or to join a proposal they are invited by other colleagues from other universities or other organizations. We give them support in the management throughout the project's life. Our commitment is to support, promote and increase the participation in Erasmus + international projects as a way to strengthen the international links of our lecturers in the field of academic cooperation with other international colleagues of different universities. We kindly invite you to look into the ongoing Erasmus + projects of our university where you will be able to find a wide range of different projects with the contact details of their responsible lecturers. You can also write us at intprojects@uca.es and our team will be happy to help you in anything you may need. We wish you happy browsing!
